(15 hours of services = 1 elective credit; maximum of 150 hours for elective credits)

In addition, you may earn up to 10 elective credits for volunteer service. One credit is awarded per every 15 hours served (for a maximum of 150 hours in addition to serving the required 40 hours).

In order to receive high school elective credit for participating in a volunteer service project, you must write a one-page essay describing the service you provided and what you gained from your experience. Please address the following questions in your essay.

- What was your volunteer service project? (What did you do? Whom did you serve?)
- What did you learn from your volunteer service?
- What was the one thing you enjoyed most about your work?
- Is there anything you would want to change or do differently?
- Do you feel any differently about yourself or others because of your involvement with this project?
